

BCCA NATIONAL SPECIALTY • COLORADO

Dear Bearded Collie Friends,

You have hardly had time to put away your suitcases and clean out your tack boxes. Let alone bathe out your Beardies and here we go again.

Time to start dreaming of 2010 in the beautiful state of Colorado. We all know the time and expense involved in putting on a specialty. So we are asking from you a donation that will put you in the rarefied Rocky Mountain air of the 14ers club.

The [enclosed form](#) will explain all.

Sincerely,  
RMBCC Hosts of the 2010 Specialty
